Math Practice Test I

1 A box has a volume of 120 cm³. It is 6 cm long and 5 cm wide. How tall is it?

Working

Answer

2 Work out 40.2 – 17.65

Working

Answer

3 Work out 7854 ÷ 34

Working

Answer

4 Work out 487 × 256

Working

Answer

5 Work out 5.67 + 2.85

Working

Answer

6 A recipe needs 2 1/2 cups of flour. Maya makes 3/4 of the recipe. How many cups of flour does she need?

Working

Answer

7 Write an expression for: add 9 and 6, then multiply by 4. Do not work it out.

Working

Answer

8 6n = 14.4. What is n?

Working

Answer

9 Work out 2/5 + (–3 1/5) + 3/5

Working

Answer

10 A bike costs $150. Its price goes up by 20%, and then the new price goes down by 20%. What is the final price?

Working

Answer

Answer Key: Math Practice Test I

Answers involving money or ages should include units ($, ¢, years). Working shows one way to solve each.

Q	Answer	Working	Skill checked
1	**4 cm**	6 × 5 = 30 cm² for the base; 120 ÷ 30 = 4 cm	Volume in a mathematical problem (5.MD.C.5)
2	**22.55**	40.20 – 17.65: add a zero, then borrow across it	Subtract multi-digit decimals (6.NS.B.3)
3	**231**	78 ÷ 34 = 2 r 10, bring down 5: 105 ÷ 34 = 3 r 3, bring down 4: 34 ÷ 34 = 1	Divide a 4-digit number by a 2-digit number (6.NS.B.2)
4	**124672**	487 × 200, 487 × 50, 487 × 6, then add column by column with carries	Multiply 3-digit by 3-digit whole numbers (5.NBT.B.5)
5	**8.52**	7 + 5 = 12, carry 1; 6 + 8 + 1 = 15, carry 1; 5 + 2 + 1 = 8	Add decimals to hundredths (5.NBT.B.7)
6	**1 7/8 cups**	3/4 × 5/2 = 15/8 = 1 7/8 cups	Fraction times a mixed number in a real-world problem (5.NF.B.6)
7	**4 × (9 + 6)**	The adding happens first, so it goes in parentheses	Write a numerical expression with grouping symbols (5.OA.A.2)
8	**2.4**	Divide both sides by 6: 14.4 ÷ 6 = 2.4	Solve px = q (6.EE.B.7)
9	**–2 1/5**	Group 2/5 + 3/5 = 1 first, then 1 + (–3 1/5) = –2 1/5	Add rational numbers using properties of operations (7.NS.A.1.d)
10	**$144.00**	Up 20%: $150 + $30 = $180. Down 20% of $180 = $36: $180 – $36 = $144	Solve multi-step percent problems (7.RP.A.3)
